They, of all classes of the commu-nity, require a wholesome invigorant at this of the bar-room; they will not find it there. A medicated stimulant, pure and undefiled, remedies, Hostetter's Stomann Bliters stands alone. No valid plea can be urged against

Its regulating properties give it an immense superiority over all the tonics of the Tharmacopels. It cases of chronic constipation it is the most useful and certain of all appetents. It creates no violent commotion in the discharging organs, bulgously relieving them of their obstructions, leaves from in a healthy, vigorous condition. It seems unnecessary to state, in view of the mass of testimony as to its effects it dyspersia, that it is a permanent cure for that terrible and but too general complaint.

The numerous "fitters, under various names, which mercenary deniers endeavor to substitute for Hosteller's Stomaco Billiers, should be avoided, for their own sakus, by the sick and the public at large. Hostetter's litters are procurable in bottles only, and hever sold in bulk.
